- Elegant slim box system in the colour matt orion grey
- The drawer frames are absolutely straight inside and out, featuring 12.8 mm thick sides
- Metal back panel
- Undermounted runners
- High dynamic load-bearing capacity
40 kg up to 60 cm width
70 kg from a width of 80 cm upwards
- Smooth running action even when fully loaded
- Silent and effortless closing with integrated BLUMOTION
- Minimal sag due to the sturdy cabinet profile
- Colour-matched inner dividing system
- TIP-ON BLUMOTION available for LEGRABOX (mechanical one-touch opening for drawers and pull-outs)
- SERVO-DRIVE flex available for the electrical opening of handleless integrated fridges and dishwashers

Legrabox - Free
with 10 mm clear glass
(extra charge)

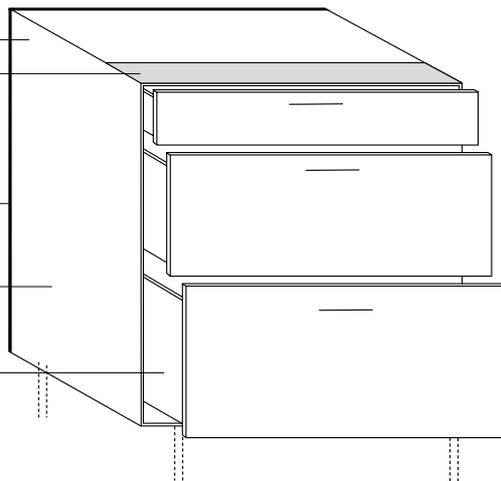

Screw-fastened 5 mm **MDF** back panel
19 mm solid wood crossmember in front

Standard carcass depth 575 mm,
550 mm optional at no extra charge

15 different carcass colours,
matching colour inside and out

Thin-walled LEGRABOX with under-
mounted runners and steel back panel

19 mm carcass

Concealed hanging brackets

Screw-fastened 5 mm **MDF** back panel

19 mm removable shelves with
securing pin

3 mm shelf supports

Blum all-metal hinges with integral damping
180° hinge with integral damping

[ELarge]

[XTend]

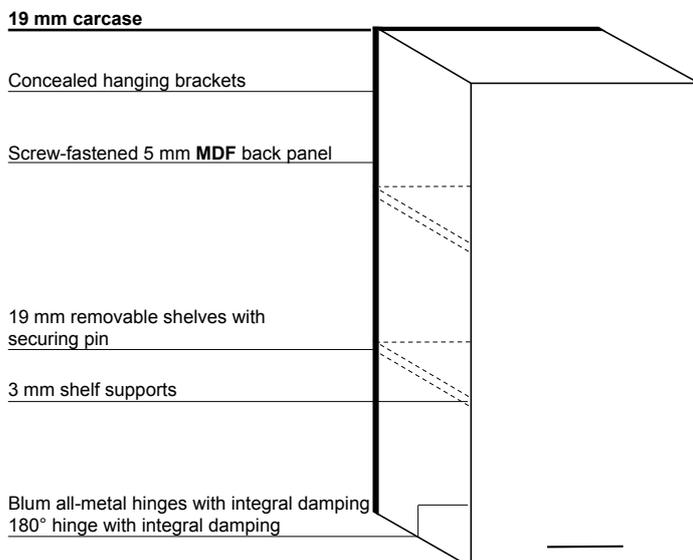

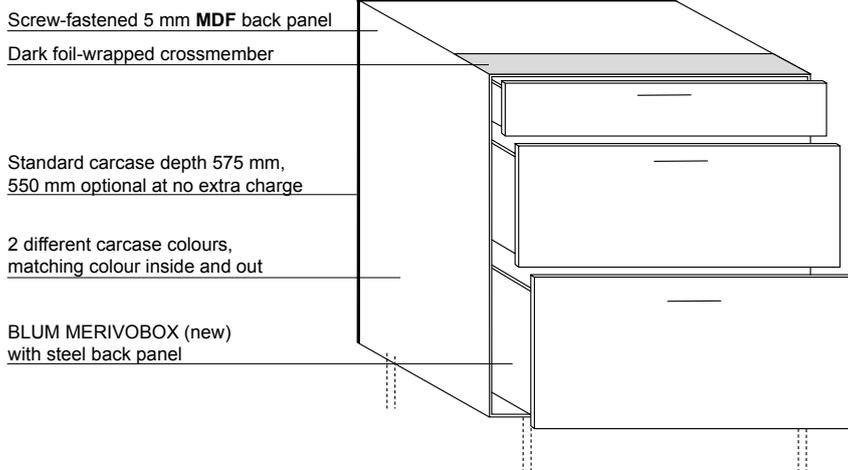

[←EWide→]

Larder units with full-height pull-out interior / LeMans units:
as standard with high-quality luxury chrome interior fittings

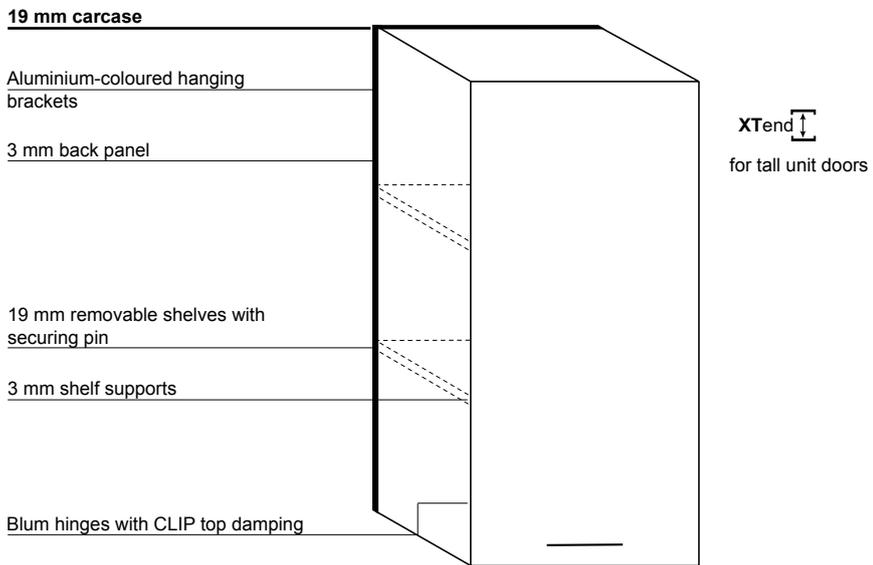

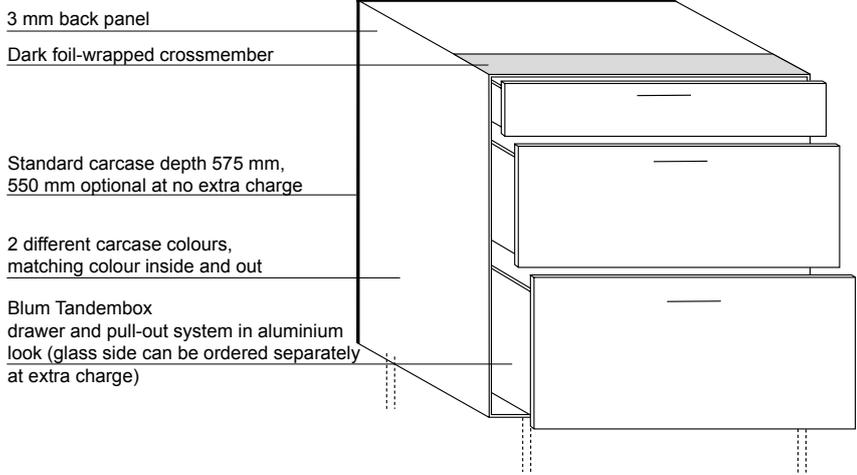

- new innovative drawer system in matt orion grey, recipient of the German Design Award 2020
- metal back panel
- exceptional stability thanks to the innovative L-shape of the cabinet profile
- high dynamic load-bearing capacity:
up to 60 cm wide with a load capacity of 40 kg
from 80 cm wide pull-outs with a load capacity of 70 kg
- high front stability
- colour-matched inner dividing system
- TIP-ON BLUMOTION available for MERIVOBX (mechanical one-touch opening for drawers and pull-outs)

Larder units with full-height pull-out interior / LeMans units: as standard with graphite-coloured powder-coated interior fittings

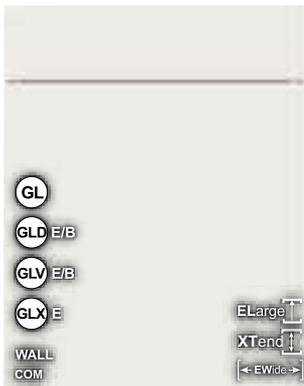

- Blum TANDEMBOX plus system
- Fully extending pull-out and smooth gliding action under maximum load
- High-quality aluminium look, without glass sides
- up to 60 cm wide with 30 kg load-bearing capacity
- From 80 cm wide with 50 kg load-bearing capacity
- 3-way adjustment for front panels
- BLUMOTION - virtually silent closing even when fully loaded
- Lift-off protection

EVERY FRONT A UNIQUE ONE-OFF

Involved here is a surface with a special-effect lacquer finish which is largely produced by hand. Differences in the sanding pattern or shading, possibly having the effect that the colour shade appears to vary across the front, are no coincidence, but are desired and intended. Solely this method of working and application lends your furniture its unique character and charisma.

P565 158	P567 158	plage	*	FR	FR	-	FR	-

In this model side panels in 19, 50, 75 and 100 mm are available with or without grooves

Note for R15:

The following fronts have different groove spacings
 40 + 80 cm = 132 mm
 50 cm = 124 mm
 100 cm = 142 mm

Glass doors

L Door with vertical side stiles

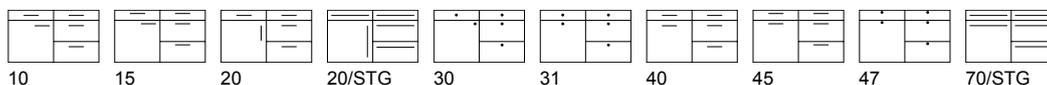

black graphite pastell loam pastell shadow pastell smoke plage

Front: Thick oak veneer sandblasted, without grooves (ZERO) or with grooves at 150 mm spacings (R15), vertical graining, reverse side in the same colour

Glass doors

RQ framed glass door with horizontal rail

black chestnut natural knotty oak

Front: 23 mm thick, at top and bottom 9 cm wide solid sandblasted rail, with integral fingerrip recess, sited inbetween on left and right 5.5 cm wide flattened rail, centre panel in brushed veneer, reverse in same colour.

Note:

- drawer panels (plain) are only available with TIP-ON, as an alternative we recommend pull-out panels with interior drawers.
- Pull-out panels 256 mm high are not available.
- A door width of 296 mm should not be exceeded, otherwise available in plain finish only.
- Ideally, fridges should be planned at a height of 78 cm in order to ensure easy opening of the door.

BLACK-LINE

BLACK-LINE	Front colour	Carcase	Vis. side	W 19	Panels	KL/LL	Plinth	Shelving
P528 102	nature	black	FA*	FA	FA	-	FA	-

FA*: The face of visible sides is always supplied with grooving, the front edge is without grooving. The reverse side of the visible side is black. Side panels 19 and 50 mm: available with grooving on one side and on the edge, side panels 75 and 100 mm are not available!

Glass doors

G/GA/GM/R Framed door

nature

Front: Brushed oak veneer on black MDF, horizontal grooving, reverse side oak veneer without grooving

Note:

- With GLV45 and GLU the black MDF is always visible on the handle side
- On account of the horizontal grooving **GL780 and S126 cannot be combined** (tall units with vertical GL-strip cannot be combined with handleless base units!)
- Doors outside of the modular grid are not predrilled at the factory

XM worktops

- Decorative high-pressure laminate with durable, electron-beam hardened surface and polished reverse side.
- Super-matt texture for the front and worktop with all the quality features and standard values for high-pressure laminate (HPL).
- Comfortably warm, velvety soft feel, inviting touch.
- Impervious to finger and grease marks, for visual appeal in everyday use.
- Optimum ease of cleaning for effortless removal of everyday soiling, above all stubborn grease stains.

Important:

In order to enjoy your XTreme kitchen surfaces for as long as possible, we advise you to observe the following instructions:

- Fine, extra matt surfaces are delicate. The texture itself cannot prevent scratches
- Especially with darker decors mechanical stress can leave behind visible, unsightly marks

Signs of wear, caused for example by unglazed porcelain or cutting on the worktop, do not constitute grounds for complaint.
